System Requirements For Media Player Icon - Enhanced:

Since Cross System Update (CSU) is a major one, the installation for both Windows and Mac requires enough space to handle the update. Once the installation begins, you'll notice the size of the installation. To install the update, you need to allocate at least 3GB of free space on your HDD. Installation: To begin with, you have to reboot your PC or Mac. Once the reboot is finished, you'll see the Cross System Update (CSU) screen. Click "Yes" to install the Cross System Update, and
